

Seeking callipygian model

Location Massachusetts

https://www.genclassifieds.com/x-709220-z

I'm looking for a callipygian (look it up!) female model for a brief photo shoot, about an hour. The shoot will mainly involve implied/demure nude and bottomless poses. To clarify: the model will be nude, but posed so that the main private areas are not exposed. I can send some sample photos upon request. You must be 18 or older for this shoot. No experience required.

The pay is \$40 cash, and you'll also get a few edited images from the shoot.

If you're interested, please respond with your definition of "callipygian" and why it fits you. Please also include your age, height, weight, and a photo of yourself.
