Currently in search of college age girls for several gigs. Must be attractive, have a good personality and smile, and be willing to make 500-1000/day. All the gigs vary but are all straight forward and simple. There is no nudity or sex involved. Very easy work. If you are interested please contact me with you name, contact info, a recent picture (must show face), and a quick blurb about yourself. Hope to hear from you.
