I'll be on the road a lot for my new job and therefore would love to see him go to a family who will appreciate his company. He is very cute, soft, and friendly. Doesn't bite. Loves to crawl on your lap and be pet. Trained to use the litter box, but sometimes has accidents elsewhere in his cage, but good outside of cage. He is good with most dogs. Comes with everything: 3-story cage, hut, food bowl, water bottle, litter box, bedding, litter, pellets, hay, treats, and chew objects. Rehoming fee of \$75 to ensure he goes to a good.
