I am a gainfully employed professional and handyman with a few hours in the week to help out with property management. I have over 20 years experience in the real estate business where I worked for different agents/brokers cleaning rentals, performing cleanouts, painting, laying tile, siding, pressure washing etc. I am eager to get back into this type of work. I am located on the south side of Indy but I ma willing to travel to any part of the city or surrounding areas. I am available weekends or in emergencies. Please give me a call and let me show you what I can do. I have professional references. CJ Services.
