I'm a photographer looking for a couple girls to be the boutiques model. This isn't a one time shoot, expect to model once a week for about 4 hours. Pay is \$100 an hour and you get to keep the clothes you model! You are expected to model all kinds of attire such as dresses, skirts, jeans, bikinis, and different style bra and underwear. NO PRIOR EXPERIENCE NEEDED! New girls are welcome!!

If you are interested in this gig, please send me a couple profession photos of yourself, if you don't have any professional photos, I can help you out with starting your professional portfolio to see if you would be selected. Depending on how much experience you have we might ask you to do a trial shoot. Which isn't compensated but you do get a no charge photoshoot and free edited pictures. So when emailing me about this gig please let me know if you would want that. I do offer other gigs other than this one so setting up a portfolio with me will help you out in the long run.

Our current requirements for the models are:

- 18-28 years old
- Hispanic, or white
- Be able to wear different kinds of clothing such as jeans/leggings/skirts/dress/bikini/lingerie
- Live near the Chicagoland area
- No experience required

If you meet the requirements please email me with your

Name ,Age ,Email and/or phone number for faster communication(this is very important as many times the emails are sent to the spam folder and many prospected models never see them), and a couple pictures of yourself that clearly show your face and what kind of body you have
