Location **New Hampshire**  
<https://www.genclassifieds.com/x-709379-z>

I have been practicing therapeutic Thai Therapy since 2007 My unique technique includes numerous modalities in my style. Thai and Neuromuscular techniques are applied within a framework of Therapeutic touch . I uses light to heavy pressure coupled with range- of-motion techniques for the neck, shoulders, arms and hip flexors. My highly focused treatment unites the body as a whole, giving the client a sense of connectedness and well-being. In addition to stretching tight muscles, the treatment increases circulation and reduces accumulated stress.

My Spa is very professional and non-sexual.
