

Crowdfunding Expert Needed ASAP (United States, USA)

Location **New York**
<https://www.genclassifieds.com/x-709448-z>

I'm looking for someone who's had successful crowdfunding campaigns and can launch one for me.
 I have a consulting business and looking for capital to expand and grow into new projects that are geared to social improvement (I'm happy to disclose more to the right candidate).
 Please contact with your resume, links to successful campaigns/portfolios, etc. The ideal launch would start next week, so I'm looking for the right person immediately.
 Serious inquiries.
