Hello and thanks for clicking my Post!

Hungry bbc really craving to try something new! That is-- Hot Persian sweetness!
I'm really sick of white girls and their bull-shit, drama, racial hang-ups, and issues!
Time for something different!

I seeking a fwb aka fuck buddy for regular meet ups, (you host or we can work out an arraignment).
Not seeking pay 4 play, this is just for mutual sweaty stress relief. So please be serious and for real.
Not into drama, I just want a chill partner who can be cool and hang out and have fun on the side.
Oh, about me I'm 6'1" 190lbs. very intellectual, very freaky, great stamina-need I say more!
C U soon!

Include photo and phone number so I know you are real and not bull shit spam or a CL website.
I will not answer ads without pic and number! Please include!
