Leaving 3/4 November from South Dakota  
Returning after Thanksgiving.

Some minor flexibility for any ride-share parties. Key objectives are to arrive in Putnam County NY by Friday, and possibly hear Anderson/Ponty Band in Chicago suburbs Tuesday night.

Traveling I-80 or I-90 to Chicago, then I-80 to NY then north through Westchester to Putnam/Orange counties.

Putnam is home of commuter train lines to NYC/LI and Amtrak.

Share the ride and cost. Let me know your plans and we can work to make it timely for us both.

Willing to make minor detour and schedule changes to accommodate ride-share needs.

Non smoker, male, 50+

Service animals in transport.

Returning after.
