Hello, I am a stay-at-home mom of 2 young boys and am looking for another pair of hands to help relieve tasks and duties such as cleaning and helping me keep the house running more smoothly. I am not needing help with my boys but someone to assist me in the day-to-day responsibilities around the house. The primary focus is on household management. I really need someone who loves attention to detail and has a get it done attitude. Ideal candidate is someone who is a self starter that can see what needs to be done without me telling them what to do. Someone who can do things quickly and if kids are playing around them they don't get easily distracted.

DUTIES INCLUDE:

- Make beds daily & freshen up rooms
- Tidy up the house and keep up organization
- Washing, cleaning and disinfecting all surfaces in kitchen
- Wipe down and sanitize kitchen table
- Wash and put away dishes
- Laundry: wash/dry, fold, put away laundry
- Pick up and straighten up any of the kids clothes or toys
- Cleaning tubs, sinks, bathtubs and mirrors
- Cleaning windows and glass surfaces
- Dusting furniture
- Vacuuming & mopping floors
- Take out trash and recycling
- Sweep off porches
