This truck is in very good mechanical condition. 7.3 liter International diesel. (the best) Not rusty, but there are dents, etc in body. Nothing major. Interior is ok. New carpet, stereo, seats are fine. Cruise and AC are great.. Power locks do not work nor do the 2 rear windows. Minor fixes, I just never needed them. Back seat is red and does not match interior.

But I just took this to Ohio and it pulled a trailer without batting an eye. Crew cab with 8 ft bed. Just had all the injectors done a couple of years ago. New glow plugs, air cleaner last summer. Tires are ok.

If you want to pull anything: this is the truck for you. I am not interested in lowball offers. It is what it is. I would take off with this truck anywhere and not be.
