

## **1983 Buick T**

Location **North Dakota** https://www.genclassifieds.com/x-709541-z

I have a set of four aluminum Buick T-type rims that I media blasted, repainted with PPG black, repolished the unpainted aluminum and then clear coated. The rims are standard GM 14" x 6" with a 5 x 4 3/4" bolt pattern. They are in very good shape with center caps. Tires are like new with two having full tread and the other two with three fourths tread. Tires are P205/70R14 and included, e-mail me or send me your phone # if serious and I'll call you back. All sales are final and cash only. Thanks for!
