Plus Three And Company Party Band is seeking a Guitarist/Vocalist for weekend gigs, to complete our band rebuild. We played out very successfully for 12 years, sequencing, and now we will be 6 live musicians. Our contacts are in place, and we'll be working as soon as we find and rehearse with you!!!

1. Must be accomplished and experienced playing out, on Guitar.
2. Lead vocals preferred for change-up with others, background quality acceptable.
3. We play upscale clubs and private work, so you must play everything.
4. Must be willing to rehearse once weekly when needed, maybe twice till we are ready.
5. Not interested in fill-ins or hired guns, we'll have the work so you must be exclusively with us.
6. We want this to be fun, and profitable, so an easy going personality will help.
