

LOST KITTY (. USD)

Location

Oregon<https://www.genclassifieds.com/x-709610-z>

Medium-haired tabby mix, green eyes, missing from NE 32nd/Everett area, since Aug. 23rd.
His name is Lambert.

It's a new foster home for him with my friends, who were kind enough to take care of him while I've been ill and had to move, and he was stressed out by move and ran out.
He's pretty skittish with people, but by now has hopefully emerged for food by now.

Worried sick! Very loved, please call if you see him!!!

He doesn't have a collar but does have a chip.

Thank!!!
