Free to good home:

We have a six year old male Cockapoo (cocker spaniel/poodle mix). First generation. Our dog is extremely friendly, gentle and healthy. Unfortunately we have our plate full due to a family disability. At this point we sadly don't have enough time and energy to devote to our dog. He is trained, good around other dogs and very safe around children. This saddens me but we feel it would be best for the dog to find a happy, safe home that can devote more time and attention to his needs. He is hypoallergenic and weighs approximately 17 lbs. We are looking for a good home. Serious inquiries please respond. Thank.
