

ROOFING GENERAL CONSTRUCTION (Codt, wy)

Location **Wyoming**

My name is Shane Kindel. I have several roofing jobs starting in the next week, including a large home/project we are currently working on. I'm seeking experienced construction/ roofing workers. I'm starting pay at \$15/hr DOE. My experienced shingles are making \$20/hr and \$20/square when they are strictly shingling. I need help with getting the projects finished asap, before the "big chill" hits!

I am also going to build furniture, home decor, log bed room sets, lamps, taxidermy mounts, wooden clocks, etc. On top of all of that, I need a few men to go get firewood and cut and stack, toward the months of January and February.

Please feel free to call or email me anytime to discuss further.

Thanks for your time and consideration,
Shane Kindel
