We have Four baby kittens that are looking for their new homes now. They were born on August 14th so they are 9 weeks old (10/16). There are Three Girls and One Boy. Both Tabbies in the photos are Females, One Black Kitten is a Female, and the other is a Male. They are all Super Cute and well behaved. They have been fully litter trained and are eating on their own just fine. They are Great with Kids and other Pets and They are Super Playful and Cuddly. They have spectacular blood lines and come from Healthy Parents. Their mother is a Domestic Longhair and Their father is a TICA registered F3 Coated Sphynx. These kittens could be considered F1 Sphynx Kittens, F1 Meaning One parent is not a Sphynx. I am asking a rehoming fee of \$30.00. If you have any Questions feel free to.
