Level Nine Media, a forward-thinking web development, SEO and marketing agency is looking for their next intern and sales superstar!

Here is what you will need to get started:

1. A PayPal Account (so we can pay you)
2. Computer, phone, or tablet (with internet access)
3. 20 minutes to an hour time frame per day to work and post ads

Here's what you will be doing:

1. Posting pre-written ads that we provide you on Craigslist, Facebook and other classified/social media sites.
2. Post one or several of our pre-written ads daily.
3. Reply via email to the people who emailed you with a link to get them started - Complete training provided. It's that simple!

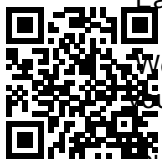

You get paid a % on each lead (from 10% to 30%, depending on contract) - You will be "bcc'd" on each email so you can keep track as well.

If you really want to kick it into high gear, you can also look for local businesses in your area that need web design and drop off flyers that we provide for you. The sky truly is the limit in this job.

Each closed lead averages anywhere from \$1,499-\$10,000, and as soon as we get paid, you get paid.

We DO NOT charge up-front fees. This is a "no work" scenario. 100% FREE to get started with us. You'll NEVER have to PAY anything with us, even when your contract closes.

Please send email with name, phone number, and relevant info if interested, you can star as early as today!
