And it couldn't come at a worst time. I have been unemployed now for 4 months. It is the only way I have to get to job interviews and now it is gone. They had previously taken my gf's bike, which I had used while mine was broke. Now they took mine.

PLEASE can someone help me? I can use any bike you give me. I can put tubes in if need be and maybe fix some things, but I need a free or REALLY cheap bike. PLEASE?

pic is of both bikes taken near south.
