

Hacky Sack (LomitaHarbor cityTorrance)

Location **California**
<https://www.genclassifieds.com/x-709881-z>

Looking for people to play hacky sack with. Preferably someone with at least 2 years of experience. If new, then be someone who is dedicated.

I've been playing on and off for about a decade. Haven't played much lately though. So I'm a bit rusty, but I can pick up and sharpen my specific skill set relatively.
