Hi,

I am an experienced male model available for figure drawing, sketches, photo-shoots, and bodypainting.

I can work on a trade basis depending on the project provided I have use of images or images of art as content for my website, www.ChristopherRyan.com.

Reliable, professional, and comfortable with or without clothes. I prefer conceptual shoots, but am okay with regular poses as well. Send your ideas!

If interested please send samples of your work or a link to your portfolio.

Thank you,

Christopher
