

# Troy built 42 Ride mower (800 USD)

Location **Alabama**  
<https://www.genclassifieds.com/x-709912-z>

Bought new past summer and used hand full of times before my move to GA. The mower is in new condition with all original paper work. I am a little negotiable on price. I live on base and have no need for this mower for next two years so just looking to sell.

I can text actual pictures from my cell phone only difference is my mower is a little nice n the deck and everything is red.
