hi I have front and rear rims with tires for a 2001-2002 yamaha r6... both in good condition I recently had a bike that was stolen from me and I have lots of left over parts and I guess it's time to clean out...so pics will be up shortly but I'm the meantime I have the rims and tires for sale asking \$300 for both including the rims great deal don't miss out tires are great might even fit another bike call or text with questions I'd be more than happy to assist.my names Joe price is firm at \$300 as I am trying to scrape up enough cash for a new bike.. I forgot the size of the tires but as soon as I clean out my storage I will post size with pictures...
