

900 4br (16902 USD)

Location **Michigan**
<https://www.genclassifieds.com/x-710013-z>

Nestled on large lot, this four br, two-and-a-half bathroom home with family room has high ceilings, open floor plan, high-end appliances, wood floors and attention to detail throughout. This home has two spacious living areas. Much of the plumbing and electrical have been updated. The open floor plan and indoor/outdoor living area make this house perfect for entertaining friends family. The basement features giant wet bar, wine cellar and so much more! Possible office area on the lower level leading out to the garage. Kitchen has granite counter-tops and recently replaced appliances. Bedrooms all have carpeted floors. A house that is ready to be moved into. Truly impressive and in a super location. Pre-foreclosure. Located in a super setting, lease-to-own a striking home with spacious bedrooms, two and a half bathrooms, ceramic countertops, granite countertops and tons of upgrades. If this posting is captivating, wait until you are told the specifics. Give us a call @ now! Our representatives will answer all of your questions.
