I am posting because I am hoping for miracle. People come on here all the time asking for things and alot of things are bs. im aware of tht. i have helped people in need on here because I love having good karma. A couple single women who like myself was down on their luck. so hopefully tht helps me out here. I need a small loan or donation of $600 and I need it by Mon afternoon at the latest. I got backed up on 3 seperate bills. I am willing to pay back this loan in installment and having interest added so totaling $750. I also have collaterol if need me. I am employed. I am independent and have always managed by myself but this time i got behind from auto problems. I am willing to meet up with you, no strings attached because I am aware of the situation i may be putting you in. This post is a lil lengthy so if you want more information you can email me. we can correspond that way or we can exchange numbers.
thank you for reading. if you can help me? god bless. if you cannot, god.
