When family members or friends aren't able to help the older adults they love, Friends for Elders LLC can. With a network of employees, Friends for Elders LLC is able to care for older family members long-term or short-term in the homes they've enjoyed and feel comfortable in. We strive to assist the Seniors that are still functioning in their own home but may need that extra assistance to complete their comfort level by providing a range of services including companionship, meal preparation, light housekeeping, medication reminders, shopping, errands -- everything you'd do for your loved one, and more -- to give you peace of mind.

Friends for Elders LLC tries to match employees with the hobbies/likes of the Seniors in need of services, we try to meet schedule requirements with minimal changing of individuals so the same familiar face is caring for your loved one. We are highly dependable and have a great network of coverage if a situation arises for our employees so your loved one is not left alone when we are expected to be there.
