For sale is my 2006 Mazda MX-5 convertible. Excellent condition, very well maintained car. Drives like a dream on a sunny day with the top down. The interior is in immaculate condition. I'm interested in buying a truck right now so I'm parting ways with this beauty. Please let me know if you're interested. Thanks. I'm in the military so I don't have a local number but I'm located on Dallas. Three-one-7-nine-6-five.
