no clue why my ads are being flagged. Please let me know. I'm not breaking any rules..just trying to find homes for our rescues!

Above are all of the dogs that Freedom Wheels Rescue has available for adoption. All are up to date on shots and have been dewormed. They are all in foster homes and are good with cats/kids/dogs. All are doing well with crate training and house training. Please email for more information

Spay agreements must be signed at the time of
