

Now hiring a telemarketer to market our snow removal services (londonnderry)

Location **New Hampshire**

https://www.genclassifieds.com/x-710359-z

This position is a permanent position for the right person. We are a junk removal and snow removal company in business for 7 years. We are currently seeking a telesales professional to set appointments with business owners to offer our snow removal services, after winter, in the spring you would be selling a variety of our other services. A qualifying individual should:

Have dependable transportation to north Londonderry just south of the Manchester airport.

Prior success at tele-sales with an emphasis on setting appointments and reaching established goals

Ability to work unsupervised and maintain a high call volume

Ability to nurture leads from cold through a pipeline to finally setting the appointment

A high school graduate with good character and work references that would be checked.

A very organized individual

What we offer:

A Flexible schedule
