

Math, Statistics, Calculus, Computer Science tutoring

Location **New Jersey**
<https://www.genclassifieds.com/x-710363-z>

I tutor college, high school, graduate school math and statistics level courses.

Math courses: calculus, linear algebra, differential equations, algebra

Statistics courses: Probability Theory, and Statistical Inference, data analysis, programming in R

Computer science courses: Matlab, C, Java, object-oriented programming

And more...

Rate: \$40/hr (undergrad, high school), \$50/hr (Ph.D. courses)

Location: Central Jersey (Edison, South Brunswick, Princeton), or a location near you.

About me: I hold a graduate degree in the math and statistics field.

Let me know what subject you are taking, I will make sure you understand the material and do well.

You can contact by text or email. or walkingon2008 AT aol
