Hey there -

On the hunt for 3 awesome roommates to take over this awesome 3-bedroom/1-bathroom apartment on Myrtle and Tompkins a block away from the Myrtle/Willoughby G train and a few blocks from the JMZ at Myrtle/Broadway. It's super-easy to get to Union Square from the G to the L, and a breeze to get to Canal St. and catch the N, Q, R and 6 from the J or Z express.

It's first/security to move in, utilities are separate, pets OK and available ASAP.

The apartment is clean and spacious with nice light, ample closet space, hardwood floors, stainless steel appliances. If you haven't been to this area you should take a stroll - it's centrally located and has close access to some cool stuff.

All roommates must sign onto the lease. This is an opportunity for all-new roommates to come together and take over this beautiful place.

The neighborhood is pretty chill with all the basic necessities around and easy access to public transit. Are there some characters around? Yup. But that's BedStuy for ya.

Please email me with a bit of information about yourself - anything you'd like new roommates to know -

and I will get back to you ASAP to confirm your showing.
