I'm looking for a nice lady with a good personality that would like to make \$15 cash per hour. There is no sex or nudity involved. I'm looking for a lady that would like to hang out with me and go out to eat, shopping, casinos, movies or just sitting and talking. I'll pay for any expenses while we're together. I'm very easy to get along with and I would like you to be as well. I think this would be fun with the right lady. The only thing you would have to do is wear a skirt or short dress and high heels while we're together. I really like women wearing high heels. If this sounds like something you'd like to do, just send me an email. You don't need a pic but a phone number would be helpful so we can talk. Your age doesn't matter as long as you're at least eighteen. If you happen to be a mature lady, that's fine as I enjoy the company of older.
