Hello ladies, age is not important as long as you look good and are height weight proportional. I'm looking for a couple women that have open minds and are willing to perform on camera for a private video. I'm an amat video producer doing short shoots with girls that do not want their videos posted anywhere. That's right, no release, I don't show my videos to anyone. You get to have fun and get paid, and I will be honest, I don't pay the largest sums. You can expect 150, maybe 200 for a 1 to 2 hour commitment. if you have unique things you will do on camera, I may be able to pay more. I offer a safe and clean environment. If this is something you are interested, send a clear photo of your face and body and we wil.
