Local nonprofit is seeking singers or groups to perform at Christmas-themed fundraising event at the Fargodome on November 27.

Each group will perform a 15-20 minute set at this kid-friendly, holiday party (Santa, crafts, cookies, balloons, etc) and material must be appropriate for all ages. We are looking for a capella and small group able to provide their own accompaniment. We cannot provide a stipend, but will have more than 5,000 people at the event with lots of media coverage.

Please reply.
