

Rodent Breeder Cage (., USD)

Location **Ohio**
<https://www.genclassifieds.com/x-710432-z>

Stainless Steel rodent breeding cage. Full size with stainless steel lid. Great for rats, mice, hamsters, gerbils, or anything else that size. This should last forever. You won't come home and find that they chewed their way out, and spend the day looking for them. They will be safe inside this stainless steel cage. \$40
