

Snow RemovalDirt Work (Barnesville,MN)

Location **North Dakota**
<https://www.genclassifieds.com/x-710451-z>

I have a 2013 621F Wheel Loader that is available for hire. I will travel within 30 miles of Barnesville,MN If you are farther than that and would like my services of the wheel loader you will have to pay for the shipping of the machine to your place and back. I charge an hourly rate off the machine hours or we can do by the Day/Week/Month if I'm not needed everyday to run the loader. I run the loader all the time. I have a 3.5 yard bucket and a 12' angle blade for snow removal and or have pushed silage piles up with it in the fall season.

I also have a S650 bobcat with bucket and root grapple for smaller projects and snow removal. With this machine I will travel on my trailer to do the work

So if u need dirt/snow/debris or whatever the case might be give me a call at and ask for
