I am looking for a girl to take over my lease this December to August 2016. It's a duplex near highway 9 and 24th ave SE. \$350 a month plus utilities that range about \$60. You would share a bathroom with another girl who is very clean. It is mostly furnished. My current room has a big walk in closet. There is a nice little yard in the back. Pets are not allowed. The entire duplex is handicap accessible. Please email me for any details or.
