I have a brand new in box iPhone 6 64GB with all accessories and even a little clear covering case I'll throw in. I don't like iPhones, I want a droid so when my iPhone got stolen, insurance sent me a brand new one and I'm selling it. So I can get a droid. I'm best getting in touch with by text but call me if you want to. I rarely check the email replies on Craigslist but go ahead if that's all you've got. Asking \$560, might be interested in a trade since I'm looking for a droid so if you have a decent one in good shape maybe we can take some money off for it. Thanks all.
