Hey all,

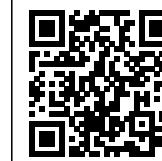

Ride offer to New Mexico and possibly beyond. I'll be in the OKC area late afternoon on the 3rd.

To hop on this magical carpet called Toyota, you must pay for some gas, send me a text requesting a ride with a little something something about yourself, and share a hatred for Canadian alternative-rock bands. No exceptions!

My number is 336-sixseven1- 688seven code word is: Nickleback sucks.

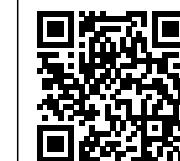

Take care of yourself,

-Ryder.
