Beautiful, loving cat for adoption to a loving home. Friendly playful cat. Regrettably I'm moving soon and can't take the cat with me.

The cat is a stray that I have adopted for almost a year. It is gentle, friendly and likes to be petted so it must have been someone's pet that got lost. I don't know how old it is, whether it is male or female, spayed or neutered.

Please respond if you can give the cat the love it needs.

\$10 Re-homing fee. I'll give you a cat condo, the food and.
