This home in conveniently located Sturbridge has a great open floor plan that is a must see! It features new wood floors throughout living area, updated tile floor in kitchen, and most all windows are new. Also, you can see this home and yard have been well taken care of for years. As you enter the home you immediately notice the beautiful wood floors, tall ceilings, exquisite fireplace with built in bookcase above in the den. The den, kitchen, and dining area are all joined with a nice open feel. The kitchen has updated tile floors, ample cabinet space, tall ceiling, and a breakfast nook. The master bedroom is on one side of the house which offers privacy. It is large, with a tray ceiling, and spacious walk in closet. Open the double french doors to the master bath which is tiled and features a double vanity, garden tub with a separate glass enclosed shower. On the other side of the home are two bedrooms and a full bath. Upstairs is the fourth bedroom with its very own heating/cooling system and a full bathroom. It is private and could be utilized as a bonus room as well. This house is complete with a big covered back patio and two car garage! Sturbridge is a very nice neighborhood with walking trails, green space, playground, tennis courts, clubhouse with pool and fitness center.
