I will pick up any of you're dead appliaces, scrap metal, lawn mowers, snow blowers, or anything I can recycle for free. If you have things like this and want them removed, I'm the one to call. I have a dolly for the heavy stuff, ramps for riding mowers, a utility trailer for large loads. Give us a call

or

As you can see by the pictures, I haul a lot. I may have to start charging for metal, depending what and how much you have due to scrap metal at an all time low. I am also taking on dump runs, small moving jobs, etc. at a fair price. Call or text Mike at

Thanks and have a woderful.
