

I am currently looking for a Live-in Attendant/Caregiver. I am a woman with Muscular Dystrophy based in Northern California in the heart of the wine country, and just 40 minutes from San Francisco.

I graduated with my masters in Film and Social Change. I developed my career as a Motivational Speaker. For these reasons, it is necessary that you are organized and professional.

Please be advised this is not a caregiver position for an elderly client, and the job is based in Petaluma, California.

Work activities would include but are not limited to:

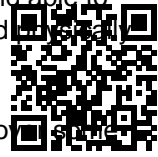

- Dressing, bathing, grooming, and transfers
- Cooking, cleaning, and housekeeping
- Running errands
- Certain business admin tasks
- Driving me to and from various work and social related appointments/activities

You will have varying amounts of free time throughout the day and night, but would need to be flexible and accessible even on days you are not scheduled. Typical work week should consist of four straight days, but may change periodically.

Candidates should be honest, reliable, caring, have a clean driving record, be smoke free, and able to drive independently and legally their own vehicle. You need to be medium height to all and be legally fit to be trained to deliver people preferences.

5. The wife is in possession and will pay a monthly maintenance sum of \$2,600 per month and cover the basic food and living expenses.

Please respond to this post through the e-mail link provided. To stand out from scam responses, PLEASE send a personal message within the body of your email, introducing yourself, including contact info, a brief personal description, and a ©sumÅ©. If you do not meet the requirements you will not get a response, so be sure to be very detailed in your.
