I have a chihuahua/min pin mix approx 8 weeks old. He's UTD on shots. Have paperwork in hand. Will be due for his next set on November 12th. Doing great with potty training. GREAT with kids, dogs, and cats. Very gentle with my 22 month old child. We really want to keep him but my larger dog is too rough on him when they play.

Asking a rehoming fee of \$100 to insure he gets a good home.

He will come with his collar, bed, toy, crate, advantix flea and tick prevention, and dog bowls.

Email or text for more.
