Hey everyone! Right now I have a full time opening in my home daycare! I am a mother of 2, I have had childcare experience 15+ years. That includes being a nanny, working at daycare centers and of course doing daycare in my home. I watch a small number of kids in my home. My home is CLEAN and SAFE with a fenced in back yard and playground equipment. Your daily rate depends on the age of your child. It includes breakfast, lunch and snacks. We also do preschool Monday through Thursday in the morning and lots of play time before and after preschool. Hours of operation, I close at 6 p.m. and work with your morning schedule. I am not open Saturday or Sunday. Your child must be immunized in order to attend my childcare. Elementary school in my boundary is Ridgecrest and Jr High is Butler. Surrounding schools, Bella Vista and Butler Elementary. Please call with any questions and availability time to meet. You can call or text me at
