

Body Parts

Location **Texas**
<https://www.genclassifieds.com/x-710681-z>

I am looking for females to photograph artistic body parts. Examples will be emailed to you if you include an email address. Pics do not need to include faces. You will be given copies of all pics. A chaperone is welcome (female). I have been a professional photographer for 20+ years and am not looking for anything other than modeling.
