

Face Painting and Glitter Tattoos for non profit events

Location **California**
<https://www.genclassifieds.com/x-710724-z>

I have lots of experience with all kinds of events and people of all ages. I will like to use my skill by giving to the community something that I love to do. Please contact me for further info. My services are only for non profit organization. Thank you.

Glitter tattoos are water proof and can last you up to seven days. If you want to remove it, it can be easily done by rubbing it with alcohol. Face or Body Paint are water based products and can also be easily removed with water and soap.

FDA approved professional Paints, Glue and Glitter. Only top brands for a professional look.

Glitter is manufactured especially for the application on the skin and contains no metals which could potentially scratch the eyes.

Face paints are made with a special anti-microbial formula which prevents the spread of germs.
