Looking for a lead singer for a new forming project. We need someone who is into Opeth, Tool and Porcupine Tree and can do both clean and growls. We all are professional musicians and need someone professional and devoted. We have some material ready for recording. Rehearsals are held in Glendale, 1-2 nights a week. The 6 month plan is to record a single, shoot a music video, build a fan base and book gigs. No pay for now, need a permanent band member who will be paid upon financial growth. The long term goal is to get signed and tour. Make a full time job out of this.

Music samples will be emailed upon receiving your samples and.
