Hello! How are you doing today?

I do beautiful flooring and carpeting work.

I do very good, very detailed flooring work:

~ Wood, hardwood floor
~ Laminate, Pergo, engineered wood
~ Vinyl, linoleum
~ Any commercial grade carpet
~ Any residential carpet
~ Carpet stretching
~ Carpet repairs

I know where you can get good floor and carpet at discounted prices, too. Just give me a call, and I will help you figure everything out.

I'm fast, competent, affordable, friendly and easy-going. If that's the carpet guy you need, give me call. Ask for Tony.
