Hello,

I am looking to make some extra money doing something that I love!

Dogs have been a huge part of my life ever since I was a baby. My first gift as a child was a puppy from my dad (the first week I was born). I have grown up with at least 3 dogs apart of my household. And, that is the minimum! I have traveled a lot with my late father being in the Air Force so, at times we have not always had the same 3 dogs.

The breeds I am familiar with are Husky, Boxer, Basset Hound, English Bulldog, Chocolate Lab, German Short Hair Pointer, and Chihuahua/Terrier Mix.

I don't live far from Sloan's Lake and would really like to stay active as I am a stay at home mom and student. I have 50/50 custody for my son, and he comes to me on Wednesdays. So, Monday-Wednesday my schedule really is pretty open. And Thursday-Friday I have no problem walking on this day but I would not be able to walk multiple dogs at once since I would be pushing a Stroller.

Your pet has to be child friendly, and preferably not dog aggressive either if I am to walk around Sloan's Lake. I am really strong though, and have dealt with dogs who like to tug or pull, and you would be able to see improvement in this area if they were to walk with me.

I charge \$10 per day, per dog.

If you have any questions or would like to schedule a time to meet please contact me via phone or email.
